Re: Mr Stavros Rekaris

I have known and worked on Building Permit projects together with Stavros Rekaris for the past 3 years. Stavros has shown me a terrific work ethic, gaining him my utmost respect as a professional. I have found Stavros to be someone who approaches his work with a very high degree of professionalism and competency, which reflects greatly in the quality of his work and his interaction with his peers.

I have every confidence in Stavros and I fully support his application. Having personally dealt with him on a number and variety of projects, I have been greatly impressed with his professionalism, attention to detail and building knowledge. As such, I have absolutely no doubt that he would successfully fulfil the duties required of an Engineer.

I would be happy to elaborate further and can be contacted directly on 9556-5463 or 0410531399.

Yours faithfully
