To whom it may concern,

Tolhurst Ltd (a 100% subsidiary of Tolhurst Group Ltd), previously known as Tolhurst Noall Ltd, have been tenants on the 29<sup>th</sup> floor of 35 Collins Street Melbourne for approximately six years. Tolhurst Group Ltd is a publicly listed company who's business activities include share-broking, financial planning and corporate advisory services.

Over the past few years Tolhurst have engaged the services of Stavros Rekaris of H S Rekaris & Associates Pty Ltd and Costa Rico Constructions Pty Ltd on numerous occasions to undertake the design and construction of Tolhurst's ongoing internal fit-out and refurbishing requirements.

Stavros has managed to meet our needs by providing us with prompt service with minimal interruption to our workplace. For example, on many occasions our staff would leave work on Friday night to return to work on Monday with their offices totally demolished, rearranged and a new office re-erected to another area of the floor, ready for them to commence their daily work.

Staff from H S Rekaris & Associates displayed professionalism and integrity at all times. We would have no hesitation in recommending them to other prospective clients.

If you wish to discuss this further, please feel free to contact me on the above number.

Yours sincerely,

David Fotheringham  
Chief Operating Officer & Company Secretary
